COMPLIANCE

• ACCREDITED QUALIFICATION

To ensure an efficient system administration, we implanted ISO quality management system and obtained ISO 9002 certification in 1998, which was updated to ISO9001:2015 in April 01 2016. In order to control product quality, we keep increasing laboratory equipment and hold quality staff training regularly. We set up a company (TAIWAN FASTENER-LAB CO., LTD.) in the beginning of 2005 and passed TAF accreditation in Feb 2006. We have CE certification per EN14566 & EN14592 (EN14566 -- Drywall screw, EN14592 - Chipboard screws, Twin threads wood srews, Decking screws, Wood building screws, Timber screws, DIN603, DIN 571)

• CUSTOMER SERVICE

We measure our success by our ability to assist our customers achieving their goals.
